

Calling All Artists!

Do you paint, write, photograph, sculpt, dance or sing?

Curate, conserve, craft or create in any medium?

Let Everyone Know!

The Bedford Cultural Council and Cultural District Partnership are compiling a directory of Bedford people, performance groups, and businesses connected to the creative arts, and we would love to include you! The directory will connect artists and community, inspire creativity and collaboration, and increase access to the arts.

We want to include anyone in town *at any level* who is involved in creative expression (literary arts, performing arts, visual arts, video arts, ...) in the directory. When it's finished, the directory will be accessible to all on the Bedford Cultural Council and Bedford Cultural District websites. We plan to update the directory yearly to keep it relevant.

Don't be shy: any creative endeavor qualifies, even if it's only as a hobby. One goal is simply to let residents know that other people with similar interests live in Town. You don't need to be a prize-winning artist to be included (although if you are, well done and please tell us about it!).

You can complete our Google Form via this link: <https://forms.gle/2dgj27WE7FztFxc76>

to be included. Note: the form gives you the option of showing only your name and interest or including your contact information as well. Either is fine. We hope you will share your artistic interests with us and with the cultural community.

Please share this form with anyone else you think might like to be included!
